200 Blank IntelliBadge, Double-Sided, for Zebra Printer (4" x 6")

Product Details
Weight: 2.25 lbs

Introducing the patented IntelliBadge, a revolutionary tear-resistant badge. This linerless, self-adhesive badge folds into a professional, solid appearance. The adhesive sticks only to itself—not clothing. Delivered on a space-saving roll, it’s ideal for registration counters. Features three pre-punched lanyard slots for single or double attachments.
